READY FOR DEBATE

1

Decide on a subject. Divide in 'for or against groups'.

2

Mobilise all the argumentation and relevant phrases you already know **how** to say something for or against the subject. What is missing?

3

Prompt
Use AI writing:
"Give me relevant argumentation pro/con x-subject level A2/B1"
Prompt more times with additional requests.
You can integrate the argumentation that you already have.

4

Read and rate the suggestions
Share your results with one or two other pro/con-groups?
What can you borrow from each other?
Which arguments do you want to use in a debate?
Create an overview on what to use.
